

Julien Byrne
ICBC Standard Bank

Julien Byrne has only recently joined the Emerging market fixed income sales desk at ICBC Standard bank, the entity formed out of the ICBC acquisition of 60% of Standard Bank of South Africa in 2015. Prior to this and since 1997, Julien held various positions over an 18 year career at UBS in emerging markets fixed income sales, culminating in co- heading EM investor sales in EEMEA. Julien started his career after graduate training in 1992 on the Latin American debt trading team at Midland Montagu which was later absorbed into HSBC.
