Prohibitions and Restrictions on Proprietary Trading and Certain Interests in, and Relationships With, Hedge Funds and Private Equity Funds

AGENCIES: Office of the Comptroller of the Currency, Treasury (OCC); Board of Governors of the Federal Reserve System (Board); Federal Deposit Insurance Corporation (FDIC); and U.S. Securities and Exchange Commission (SEC).

ACTION: Proposed rule; extension of comment period.

SUMMARY: On November 7, 2011, the OCC, Board, FDIC, and SEC (collectively, the “Agencies”) published in the Federal Register a joint notice of proposed rulemaking for public comment to implement section 619 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”) which contains certain prohibitions and restrictions on the ability of a banking entity and nonbank financial company supervised by the Board to engage in proprietary trading and have certain interests in, or relationships with, a hedge fund or private equity fund (“proposed rule”).

Due to the complexity of the issues involved and to facilitate coordination of the rulemaking among the responsible agencies as provided in section 619 of the Dodd-Frank Act, the Agencies have determined that an extension of the comment period until
February 13, 2012 is appropriate. This action will allow interested persons additional time to analyze the proposed rules and prepare their comments.

DATES: Comments on the proposed rule must be received on or before February 13, 2012.

ADDRESSES: You may submit comments by any of the methods identified in the proposed rule. Please submit your comments using only one method.

section 13 to the Bank Holding Company Act of 1956 (“BHC Act”) and contains certain prohibitions and restrictions on the ability of a banking entity and nonbank financial company supervised by the Board to engage in proprietary trading and have certain interests in, or relationships with, a hedge fund or private equity fund.

In recognition of the complexities of the issues involved and the variety of considerations involved in its impact and implementation, the Agencies requested that commenters respond to numerous questions. The proposed rule stated that the public comment period would close on January 13, 2012.3

The Agencies have received requests from the public for an extension of the comment period to allow for additional time for comments related to the provisions of the proposed rule.4 The Agencies believe that the additional period for comment will facilitate public comment on the provisions of the proposed rule and the questions posed by the Agencies, and coordination of the rulemaking among the responsible agencies as provided in section 619 of the Dodd-Frank Act. Therefore, the Agencies are extending the comment period for the proposed rule from January 13, 2012 to February 13, 2012.
