

## EMTA Forum in Johannesburg

### November 12, 2024

~~~~~

#### **ELNA MOOLMAN (Moderator)** **Standard Bank**

Elna started her career as senior lecturer at the University of Pretoria and has 20 years' experience as private sector economist. She is currently the Head of South African macroeconomic, fixed income and currency research at Standard Bank.

Elna holds a BCom Actuarial Science degree from the University of Pretoria, a Master's degree in Economics from New York University and a PhD in Econometrics from the University of Pretoria.

#### **IAN SCOTT**

Ian started his career in the foreign exchange market. In 1999 he joined the asset management industry in the fixed income asset space. He moved from trader to head of fixed income over time. Currently he is on sabbatical deciding on what the next chapter in his career may bring.

Ian holds an honours degree in investment management from the university of Johannesburg.

#### **ISAAH MHLANGA** **Rand Merchant Bank**

Isaah Mhlanga is the Chief Economist and Head of Research for Rand Merchant Bank. He leads the RMB Global Markets research team and drives research client strategy in collaboration with sales, trading and the broader teams within RMB.

Prior to this, Isaah was the Executive Chief Economist and exco member of Alexforbes Investments, where he was responsible for macroeconomic strategy and a member of the Asset Allocation and Investment Committees.

He has prior experience as a macroeconomist at Absa Capital, senior economist at the National Treasury, having started his career as an economist at the International Monetary Fund local office in Pretoria.

He is a regular contributor to various media news outlets and publications.

**JAMES TURP**  
**Sanlam Investments**

James is Head of Fixed Income Investment strategy and Portfolio Manager at Sanlam Investments. With 32 years of active financial market investment and portfolio management experience, he has navigated through a myriad of economic cycles and financial market conditions. He has managed foreign currency and fixed income portfolios, primarily in South Africa and other African debt and money markets. James has served as a senior trader in local and international investment banks treasuries and chief dealer in SA's largest corporate treasury, overseeing the management of the foreign debt and currency portfolios.

Prior to joining Sanlam Investments, he headed the Fixed Income Franchise at Absa Asset Management, which later became part of Sanlam through an acquisition. James has won one Morningstar award and seven Raging Bull awards. James manages a variety of Fixed Income unit trusts and segregated mandates including The SIM Bond Fund, SIM Tactical Income Fund and SIM Core Income Fund.

James holds a degree in economics, a certificate in treasury management and international finance, and various local market investment qualifications.
