### JIBRAN QUREISHI (MODERATOR) Standard Bank

Jibran Qureishi is Head of Africa Regions Economic Research at the Standard Bank Group.

Jibran provides strategic and operational leadership to a team located in multiple locations across the continent. The macroeconomic research is overlaid with fixed income and currency analysis to produce executable trade ideas in African fixed-income and currency markets. In addition, his team's research is aimed at identifying potentially profitable trading opportunities in the growing African Eurobond market.

Jibran features prominently in leading business media and in 2018 was hailed as one of Kenya's Top 40 under 40 professionals. He advises the bank's clients and senior management in various in-country offices on Africa strategy. Additionally, he has advised governments and central banks on the continent public policy matters. Jibran was ranked first in the Financial Mail top analyst awards for Sub Saharan Africa research in 2016, 2021, 2022, 2023 and 2024. His team also earned numerous Best Africa Research Team awards at the Johannesburg Stock Exchange (JSE) Spire Awards in 2016, 2017 and 2024.
